Either way works for me, so whatever fits into your schedule best. If you think that there is a decent shot of getting to me on Monday, I can plan on being there after lunch (2ish) and if anything changes/stalls/etc. in the morning, please call and let me know, and we can set up a new time from there. Does that work for you?

Hi Sonja.

Do you want to come in on Monday afternoon just in case we get to your testimony? Or see where we are at lunch? Just trying to determine a plan. Thanks.

Maida
